THREE DAYS · ONE BASIC LEVEL PATHWAY

From practice to assessment

A defined Basic Level pathway in laparoscopic and hysteroscopic skills: shared theory on Friday, a full hands-on day on Saturday and the certification session on Sunday.

 LASTT Navigation & coordination Camera navigation, hand-eye coordination and bimanual control through defined repetition-based exercises.	 SUTT Suturing & knot-tying Needle loading, controlled stitch placement and intracorporeal knotting: five stitches and one knot.	 HYSTT Hysteroscopic skills Camera navigation and hand-eye coordination for controlled orientation in the hysteroscopic environment.
---	--	---

01

FRI 29 JAN · 14:00–18:00

Orientation & theory

Welcome, identification on the OSP platform and the GESEA Educational Programme, then faculty lectures on operating room set-up and ergonomics, anatomy, energy modalities, hysteroscopy instrumentation, laparoscopic suturing and complication management.

02

SAT 30 JAN · 09:00–18:00

Hands-on skills training

LASTT practice in the morning, a dedicated suturing course and the SUTT task after lunch, HYSTT exercises to close the day. Defined repetition sequences support progressive technical control.

03

SUN 31 JAN · 09:00–17:00

Certification session

Theoretical examination at 09:00, followed by the practical assessment from 11:00. Certification requires passing TESTT1, LASTT1, SUTT1 and HYSTT1; the official GESEA Level 1 certificate is issued by ESGE on successful assessment.

Working schedule; minor operational changes may occur without changing the educational scope.

Mandatory for every participant: the official GESEA Level 1 e-learning, including training-only participants. It is purchased separately and directly from the ESGE Academy and completed before attendance; its fee is not included in the programme fees.

ROUTES

Choose your route. Apply.

03 · COMPLETE ROUTE

29–31 January 2027

Training + certification*Fee shared after academic review*

Two days of training and one scheduled official GESEA Level 1 certification attempt on 31 January.

01 · TRAINING ONLY

29–30 January 2027

Fee shared after academic review

Co-branded certificate of attendance.

02 · CERTIFICATION ONLY

31 January 2027

Fee shared after academic review

One scheduled official certification attempt.

Included: the theory and hands-on components of the selected route, lunch and coffee breaks on attended days, programme coordination and admissions support.

Available separately: accommodation at Bilkent Hotel and Conference Center (rate on request), local transfers, further certification attempts.

The fee for each route is shared after academic review; fees are collected in GBP and are subject to VAT. Training-only attendance does not award the official GESEA Level 1 certificate. The official certificate is issued by ESGE under the GESEA programme on successful assessment. Cancellation terms: atdera.com/terms-of-use.
